

SAFE USE OF A MEWP

MOBILE ELEVATED WORK PLATFORM

PRE-REQUISITES

NONE

DURATION

1 days training plus integrated assessment

QUALIFICATION

City & Guilds NPTC (L2) Award in the Safe Use of a Mobile Elevated Work Platform

COST

£150.00 + VAT

THE COURSE COVERS

The course covers preparing, operating and transporting a Mobile Elevated Work Platform. There are a number of different types of machine (Scissor lift, Vehicle mounted, Trailed, Self-propelled, Vertical Personnel Platform). The test will be taken on a specified type of machine which will take into account the operational differences relevant to that machine.

- Carry out a Hazard and Risk assessment specific to the site, task and machine.
- Identify all decals, safety features, instruments and controls of the machine being used and have a knowledge of maintenance.
- Set the machine up ready for work.
- Operate the machine safely and undertake a task whilst elevated.
- Pack the machine away and prepare it for transport.
